| <b>3:00pm – 3:10pm Kiss the pig next year</b><br><br>Gina proposed to have a Kiss the pig fundraising event next year. During a specific period, kids would bring in change and deposit the change into the jar with name of the teacher they want to see kiss the pig.<br><br>Mrs. Brunner is going to check the District policies with this type of fundraising to see if this event is allowed. In the past, change campaigns were not allowed because every donation needs to receive a receipt. This is very difficult and time consuming when bringing in change. | Gina B.          |

| <p><b>3:35-3:40 Buffalo Wild Wings Family Dinner Nights</b></p> <p>Christian Proposed to include BWW fundraising next year.</p> <p>They give back 20%back of all receipts back to the PTO. This fundraiser is not just for one day. We can set up a 3-month period for families to eat at the restaurant. Families will need to give their server a specific code that the restaurant assigns Colina for us to receive the credit. There are no restrictions on days or times during that 3-month period. We all agreed this was a great opportunity. Christian will make arrangements with Buffalo Wild Wings to move forward.</p> | Christian Becker |
