3:00pm – 3:05pm Welcome	Christian Becker
3:05pm-3:15pm Financials There was not much to report on this month; it has been the slowest month of the year. Sarah is going to start working on the budget for next year. She will have it ready to present to this board in the April meeting. Due to not having a regular Book Fair this year, Sarah questioned what to do about budgeting for the Library. Library money usually comes from money raised at the Book Fair. It was decided that with the Reading Wall program ending, we can use some of the money that would have budgeted for that program to give to the Library.	Sarah Naughton
3:15pm-3:20pm Pictures with Cody (?) Cassie now has access to Instagram, but not to Face Book. Christian and Megan are going to work on getting her access to Face Book this week. Christian will then e-mail families about the Pictures with Cody event. This is designed to gain more activity on our Social Media pages. A picture of Cody somewhere in the school will be put up on the Social Media pages. Families can make a comment about a memory their student has about that location in the school and tag at least two friends or family members. Families that participate will be entered to win prizes! <p>3:20pm-3:35pm Next year plans</p> <p>As we get further into the year, we need to start considering roles for the Executive Board next year. Christian asked each board member to discuss their plans for next year so that we know which roles need to be filled.</p> <p>Mr. McDonald will return as the Teacher Liaison.</p> <p>Christian Becker does not plan to return to the board, so the President role is empty.</p> <p>Megan Herold plans to return. Currently, she plans to keep her role as VP.</p> <p>Sarah Naughton plans to return to her role as Treasurer.</p> <p>Marcella Alvarez plans to return, but due to her absence today, we are not sure in what role.</p> <p>Cassie Hairston currently plans to return as an Advisor. That may change due to workload, but she wants to be involved even if it is not in an official capacity.</p> <p>Triné Nelson plans to return in her Advisory role.</p> <p>Christian is going to work on an e-mail to send to our lower grade level teachers and ask that they send out to their families, as well as Mrs. Brunner to send to those parents who attended the Kindergarten showcase night. We are currently looking for the role of President and 1-3 Advisory Members.</p>	<p>Christian Becker</p>
<p>3:35pm-3:50pm Principal Updates</p> <p>Canned food drive was successful. 610 total cans collected: 421 for the Chiefs and 189 for the Buccaneers. The cans were going to be sent to St. Mary's Food Bank.</p> <p>The school is looking for ways to increase their Face Book presence, so if we have any ideas, Mrs. Brunner would love to hear them.</p> <p>Showcase night was successful! They had 23 people in attendance, which is up from the usual number of approximately 10. There are 26 kindergartners already enrolled, which is more than double the number they usually have at this time.</p> <p>Mrs. Brunner reminded us to tune into the District Board Study Session to hear their plans for returning to school.</p>	<p>Mrs. Brunner</p>
<p>3:50 pm-4:00pm Questions / Discussions</p> <p>We decided to have a meeting on March 2nd. We are hoping to plan a Socially Distant event for the community. We need to include the baskets that are still remaining from last years Pack-a-Palooza.</p> <p>Spirit Wear orders had to be cancelled and all money refunded. The District has closed that area of their Print Shop.</p> <p>We are not collecting much from Box Tops. Christian is going to look for a video that can be sent to Triné to be placed on our Website and to Megan/Cassie to be placed on our Face Book page.</p>	<p>Christian Becker</p>
<p>Next Board Meeting is scheduled for March 2nd, from 3pm to 4:30pm</p>
