Absent: Kim Hartwell, Advisory Board -- Amy Mathis, Advisory Board

- 3:00-3:15 **Welcome:** (Christian Becker): Meeting called to order.
- 3:15-3:20 **Staff Appreciation Week & Feedback:** (Christian Becker): The Staff Appreciation Week was a success. Parents asked for additional involvement, which will be addressed next year. Additional upcoming Staff Appreciation events: End of Year Luncheon, Back to School Breakfast, First Day of School Coffee
- 3:15-3:40 **Peter Piper:** (Christian Becker): Peter Piper yearbook signing is on 5/21. Mr. McDonald needs someone to help him with crowd control while he's wearing the mascot suit. There's also a need for volunteers to help sell yearbooks.
- 3:30-3:40 **T-shirts for next year:** (Christian Becker) Do we want to have different colored shirts for every grade next year? Is it possible to offer a fitted, girls' shirt option? These ideas are being considered by Mrs. Brunner.
- 3:40-3:50 **Calendar meeting date?:** (Christian Becker): The new board needs to set up a date, time and location for the annual calendar planning session. Native was suggested since they have a back room available.
- 3:50-4:15 **Principal's Update:** (Kelley Brunner) The Satisfaction Survey results were positive; Notes were sent home to parents of incoming 4th and 5th graders about teacher specialization program launching next year; Kyrene district is getting a website makeover
- 4:15-4:20 **Meet & Greet:** (Christian Becker) The Meet & Greet at The Living Room was a success and something the board will do again in the fall. It's a good way for families to connect.

4:20-4:30

Meet The Teacher: (Christian Becker) This year the Board will ask parents to send an email to the PTO address with their name, contact and child's shirt size. Producing the directory doesn't seem like a good use of time and instead the Board will focus on developing a strong email list.
