<b>3:30pm-3:40pm Harvest</b> Christian shared that although the Harvest Festival was a success and turned out great, the future chairman should get a committee together to help with set up and take down, and also share ideas with. Also get input from board members that already have chaired the event in past years. This is true for all events, not just Harvest.	Christian Becker
<b>3:40pm-3:55pm Spring Fundraiser</b> Christian shared that the spring fundraiser might not happen this year. That getting supplies might be challenging.
